Paying for Parking

Vehicle owners can apply a debit or Credit Card to their vehicles license plate at the onsite kiosk, Online Kiosk or Mobile Parking App anytime when their vehicle is in the carpark building or on exit.

Online Kiosk

Scan the 'Online Kiosk' QR code or visit parkgrandmillennium.co.nz when your vehicle is in the carpark, Select Pay by Plate, entering the vehicles number plate.

Mobile App

GM PARK Mobile App is the most simple and smartest way to pay for your parking. Once registered, simply drive in and drive out of Grand Millennium Auckland Carpark's barrier arm-controlled carpark, GM PARK will do the rest! You will be automatically charged for the parking you use.
